

Hello,

My name is Lauren. If you are reading this it is because you have been given the opportunity of a lifetime. I came to H.I.S. House with no job, no car, and as a single mom with two young girls. The world is a very scary place when you are on your own, especially if you're responsible for the care of others (children).

During my time at H.I.S. House, I did as required and took advantage of all they offered. It can seem hard at times but it was well worth it! Within six months, I became employed full-time, got my driver's license, and was given a car. Every staff member here cares more than I ever thought anyone would. This place has been truly AMAZING for me and my family. I don't know what it's like to win the lottery, but after completing this program, I BELIEVE I DID!

THANK YOU H.I.S. HOUSE FOR ALL YOU DO!
